Director's Update on Site Remediation

Carrie Nugent
Acting Director, Land Remediation

CSAP Fall PD Workshop
November 17, 2022

Ministry of
Environment and
Climate Change Strategy

TERRITORIAL ACKNOWLEDGEMENT

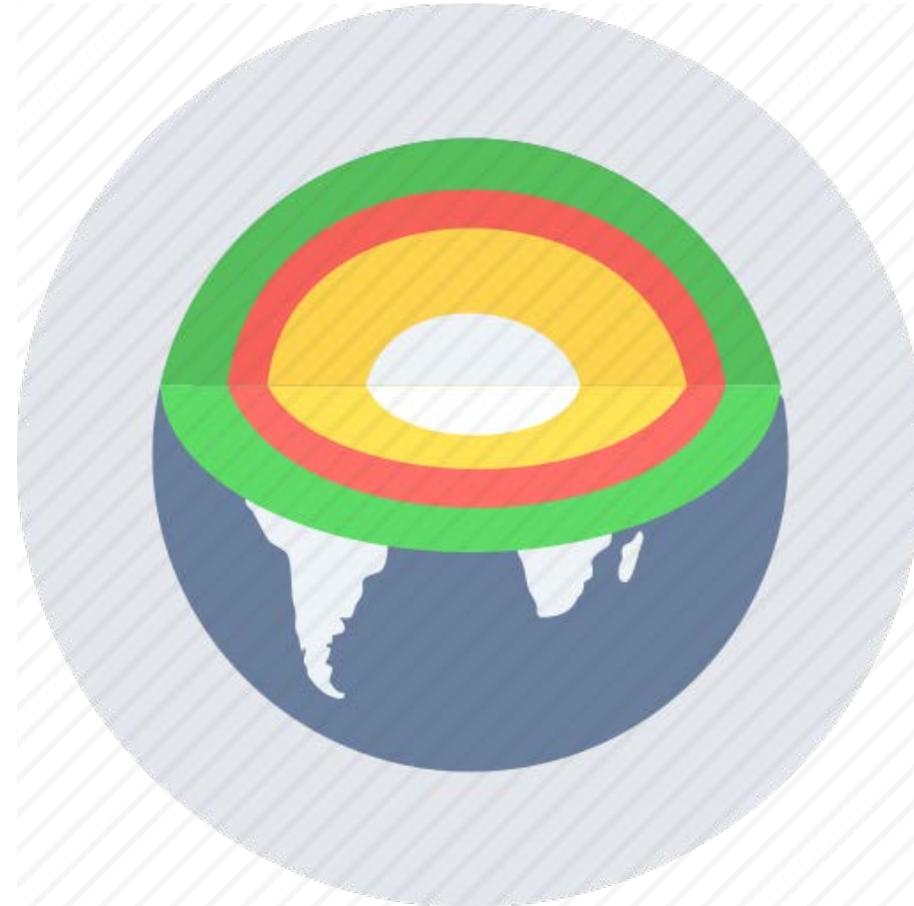

CHANGES IN LAND REMEDIATION

- Staff
- Site registry access
- Soil relocation provisions

LAND REMEDIATION SECTION CORE BUSINESS

- **Systems & Information Management** – Site registry, enquiries, program website, software, records
- **Policy** – delivery and improvement of EMA and CSR
- **Applications Management** – Contaminated Sites Service Applications; statutory decision making
- **Society of Contaminated Sites Approved Professionals (CSAP) Oversight** – adherence to *EMA* and *PGA*; professional reliance

SYSTEMS AND INFORMATION MANAGEMENT: NEW SITE REGISTRY PORTAL

- Launching this month
- Formerly available via The logo for BCOnline, featuring the British Columbia sun and mountains icon, the text "BRITISH COLUMBIA" in white, and "BCOnline" in yellow and white.
- Now via The logo for BC Registries and Online Services, featuring the British Columbia sun and mountains icon, the text "BRITISH COLUMBIA" in white, and "BC Registries and Online Services" in white.
- Same services, new platform
- Site registry services will be part of larger digital transformation

- Climate Change Policy Paper available for comment

Visit [GovTogetherBC](https://www.govtogetherbc.ca) to learn how to participate - look for “Making Contaminated Sites Climate Ready”

- Indigenous Peoples engagement

SOIL RELOCATION

Process improvements for soil relocation from IL and CL sites:

- Bill 3 - March 5, 2020
- Bill 3 will be brought into force by changes to the CSR (Stage 14)
- Amendments - March 1, 2023

Ministry webinars on December 14 and 15

Ministry of
Environment and
Climate Change Strategy
