

**Graduate Scholarships in Environmental Sciences and Engineering Scholarship
Application Form**

The CSAP Society must receive applications, reference letters, and transcripts, no later than March 31, 2023, at 5:00 p.m. PST. Applicants can contact the CSAP Society by email or phone prior to the deadline to verify receipt of their application. Incomplete or late applications will not be considered.

Applicant name: _____

Address: _____

Mailing address (if different from above):

Telephone: _____

Email: _____

Program information:

- University: _____
- Program of study: _____
- Discipline: _____
- Year started graduate school: _____

Academic and Professional Involvement – 25% of total

Provide details of your academic and work experience related to engineering, geology, biology, chemistry, toxicology, or agrology, and explain how it has furthered your interest and/or involvement in the science and management of contaminated sites' investigation and remediation. See the scholarship selection criteria in the Scholarship Package Information document for more details. Please limit your response to the area provided below and do not provide any additional attachments.

Area of Research – 40% of total

Provide a summary of your project or thesis topic highlighting its relevance to the investigation and remediation of contaminated sites. See the scholarship selection criteria in the Scholarship Package Information document for more details. Please limit your response to the area provided below and do not provide any additional attachments.

Academic Standing – 25% of total

Include an official copy of your most recent transcript with your application and final transcript(s) from previous degree(s).

References – 10% of total

Identify two references (one professional, one academic for your supervisor). The reference form must be completed by the references and sent directly to the CSAP Society. (See instructions on final page).

Professional Reference:

Provide the letter of reference (excluding relatives) that verifies your involvement in professional or community activities. Provide the person’s full name, address, and contact telephone number below.

Name: _____

Address: _____

Email: _____

Business phone: _____

Relationship: _____

Academic Reference:

Provide the letter of reference from your academic supervisor to verify your commitment, research/technical abilities and relevance of the research topic or project to contaminated sites. Provide the person’s full name, address, and contact telephone number below.

Name: _____

Address: _____

Email: _____

Business phone: _____

Relationship: _____

Please accept the above information in support of my scholarship application.

Signature of Applicant: _____ Date of Application: _____

Additional Information

How did you learn about this scholarship? _____

Application Checklist:

Complete application.

Two reference forms (one from each of your professional and academic references). Note, these must be submitted directly to the CSAP Society by your references before the application deadline.

Official copies of your most recent transcript and final transcript(s) from previous degree(s).

Applications must be submitted by March 31, 2023, at 5:00 p.m. PST by:

- Email: info@csapsociety.bc.ca
- Mail: Attn: CSAP Scholarships
#613 - 744 West Hastings Street
Vancouver, BC V6C 1A5

Final selection will be made by May 31, 2023, at which time you will be advised in writing, whether selected or not.

Scholarship funds will be advanced contingent upon proof of graduate program registration and upon the award recipient providing their social insurance number (SIN). The SIN of each award recipient is required for income tax purposes. Any recipient's failure to provide proof of their graduate program registration and their SIN within two weeks after notification of award of scholarship may result in the loss of the scholarship.

For more information or questions, please contact info@csapsociety.bc.ca.
