Dear Paul Savinkoff:

Re: Certificate of Compliance – Small area on Industrial Rd No. 1 – Adjacent to Invermere Highways Yard, Invermere, BC

Please find enclosed a Certificate of Compliance respecting the site referenced above.

In addition to the conditions set out in Schedule B of the Certificate of Compliance, please be advised of the following:

1. Information about the site will be included in the Site Registry established under the *Environmental Management Act*.
2. The provisions of this Certificate of Compliance are without prejudice to the right of the Director to make orders or impose requirements as the Director may deem necessary in accordance with applicable laws. Nothing in this Certificate of Compliance will in any way restrict or impair the Director's power in this regard.
3. A qualified environmental consultant should be available to identify, characterize and appropriately manage:
 - (a) any environmental media that may be contaminated, or
 - (b) soil which may exceed the standards triggering a Contaminated Soil Relocation Agreement set out in section 40 of the Contaminated Sites Regulationand may be encountered during any future subsurface work at the site.
4. Groundwater wells that are no longer required must be properly decommissioned in accordance with the *Water Sustainability Act's* Groundwater Protection Regulation.

5. Please note that future site development may create preferential pathways for vapour. In this event, further assessment and remediation of vapour may be warranted.
6. Please note that the attached Certificate of Compliance does not address obligations of employers regarding worker health and safety under the *Workers Compensation Act* and Occupational Health and Safety Regulation. Development of site-specific work procedures in accordance with Workers' Compensation Board regulations may be warranted. Please direct related questions to Worksafe BC.

Issuance of this Certificate of Compliance is a decision that may be appealed under Part 8 of the *Environmental Management Act*.

If you require clarification of any aspect of this Certificate of Compliance, please contact the undersigned at james.plett@gov.bc.ca.

Yours truly,

James Plett
Senior Contaminated Sites Officer

CERTIFICATE OF COMPLIANCE
(Pursuant to Section 53 of the *Environmental Management Act*)

THIS IS TO CERTIFY that as of the date indicated below, the site identified in Schedule A of this Certificate of Compliance has been satisfactorily remediated to meet the applicable Contaminated Sites Regulation remediation standards and criteria.

This Certificate of Compliance is qualified by the requirements and conditions specified in Schedule B.

The substances for which remediation has been satisfactorily completed and for which this Certificate of Compliance is valid are listed in Schedule C.

I have issued this Certificate of Compliance based on a review of relevant information including the documents listed in Schedule D. I, however, make no representation or warranty as to the accuracy or completeness of that information.

A Director may rescind this Certificate of Compliance if requirements and conditions imposed in the Certificate of Compliance are not complied with or any fees payable under Part 4 of the Act or regulations are outstanding.

This Certificate of Compliance should not be construed as an assurance that there are no hazards present at the site.

The substances to which this Certificate of Compliance applies migrated to the site from a neighbouring source. It should not be assumed that this Certificate of Compliance certifies the remediation of all contaminants at the site.

James Plett
For Director, *Environmental Management Act*

Schedule A

The site covered by this Certificate of Compliance is located on Industrial Rd No. 1 - adjacent to Invermere Highways Yard, Invermere, British Columbia which is more particularly known and described as:

Commencing at a point at the southwest corner of Lot 11, Block 35, District Lot 267, Kootenay District, Plan 1143 (PID: 015-823-687), the point of beginning;

Thence (1) Southeast $158^{\circ}27'38''$, 10.00 metres;

Thence (2) Northeast $68^{\circ}27'38''$, 30.00 metres;

Thence (3) Northwest $338^{\circ}27'38''$, 10.00 metres;

Thence (4) Southwest $248^{\circ}27'38''$, 30.00 metres to the point of beginning.

The site contains part of a legal parcel depicted in an engineering drawing prepared by Active Earth Engineering Ltd. on November 25, 2022.

The approximate centre of the site using the NAD (North American Datum) 1983 convention is:

Latitude: $50^{\circ} 30' 57.9''$

Longitude: $116^{\circ} 01' 51.9''$
