| Name:                           |  |
| Address:                        |  |
| Mailing address (if applicable) |  |
| Telephone:                      |  |
| Email:                          |  |

| <b>Current Graduate Program Information</b>                    |  |
|--|--|
| School:  |  |
| Diploma/Degree of study:                                       |  |
| Discipline/Department:   |  |
| Month/year first enrolled in current graduate program:         |  |
| Month/year of expected completion of current graduate program: |  |

**Academic and Professional Involvement – 25% of total**

Summarize your academic experience and/or previous work experience that has connected to or fostered your interest and/or involvement in the science and management of contaminated sites (investigation and remediation). See the evaluation criteria in the Scholarship Package Information document for more details.

Please limit your response to the area provided below and do not provide any additional attachments.

### **Area of Research – 50% of total**

Summarize your project or thesis topic. Demonstrate the relevance of your work to investigation, risk assessment and/or remediation of contaminated sites and how the topic area can improve the process or practice of managing contaminated sites. Highlight how your area of research might be considered innovative or forward thinking in the field (e.g., advancing the practice, emerging contaminants, related to mitigating or managing effects of climate change). See the evaluation criteria in the Scholarship Package Information document for more details.

Please limit your response to the area provided below and do not provide any additional attachments.

**Academic Standing – 10% of total**

Include an official copy of your most recent transcript and final transcript(s) from previous degree(s) with your application.

**Awards / Recognition and References – 15% of total**

**Awards**

List any awards or formal recognition that you have received during your undergraduate and/or graduate degree programs. This could include awards based on academics, leadership, community involvement, research, etc. For each, provide the following information:

- award/recognition name or description,
- date of award,
- organization providing award/recognition,
- reason for award/recognition, and
- value of award (if relevant).

List any awards or recognition in the area below. Please provide the five categories of information identified above for each award.

## References

Identify one professional reference and one academic reference. The reference form must be completed by the references and sent directly to the CSAP Society. (See instructions on final page).

### Professional Reference:

Provide the letter of reference (excluding relatives) that verifies your involvement in professional or community activities. Provide the person's full name, contact information, and relationship below.

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Email: \_\_\_\_\_

Business phone: \_\_\_\_\_

Relationship: \_\_\_\_\_

### Academic Reference:

Provide the letter of reference from your academic supervisor to verify your commitment, research/technical abilities, and relevance of the research topic or project to contaminated sites. Provide the person's full name, contact information, and relationship below.

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Email: \_\_\_\_\_

Business phone: \_\_\_\_\_

Relationship: \_\_\_\_\_

Please accept the above information in support of my scholarship application.

Signature of Applicant: \_\_\_\_\_ Date of Application: \_\_\_\_\_

### Additional Information

How did you learn about this scholarship? \_\_\_\_\_

## Application Checklist

- Complete application.
- Two reference forms (one from your professional reference and one from your academic reference). Note, these must be submitted directly to the CSAP Society by your references before the application deadline.
- Official copies of your most recent transcript and final transcript(s) from previous degree(s).

Applications must be submitted by March 31, 2025, at 5:00 p.m. PST by:

- Email: [info@csapsociety.bc.ca](mailto:info@csapsociety.bc.ca)
- Mail: Attn: CSAP Scholarships  
#613 - 744 West Hastings Street  
Vancouver, BC V6C 1A5

Final selection will be made by May 31, 2025, at which time you will be advised in writing, whether selected or not.

Scholarship funds will be advanced contingent upon proof of graduate program registration and upon the award recipient providing their social insurance number (SIN). The SIN of each award recipient is required for income tax purposes. Any recipient's failure to provide proof of their graduate program registration and their SIN within two weeks after notification of award of scholarship may result in the loss of the scholarship.

For more information or questions, please contact [info@csapsociety.bc.ca](mailto:info@csapsociety.bc.ca).

## Terms and Conditions

- The CSAP Society reserves the right, in its sole discretion, to modify, amend, or cancel the scholarships at any time without notice.
- By submitting an application, the applicant authorizes the CSAP Society and the scholarship selection panel and their respective employees to collect, use, and retain the applicant's personal information, including references, as provided on and with the application for the purposes of evaluating the application and for administering, maintaining, and promoting the scholarship program.
- All recipients must inform themselves as to the tax consequences of receiving a scholarship.
- Scholarship funds will be advanced contingent upon proof of graduate program registration and upon the award recipient providing their social insurance number ("SIN"). The SIN of each award recipient is required for income tax purposes. Any recipient's failure to provide proof of their graduate program registration and their SIN within two weeks after notification of award of scholarship may result in the loss of the scholarship.
- This scholarship may be held concurrently with other awards and financial support.
