Chair Professional Development  
Committee

# Coping with COVID

- Our world has changed – how are we coping?

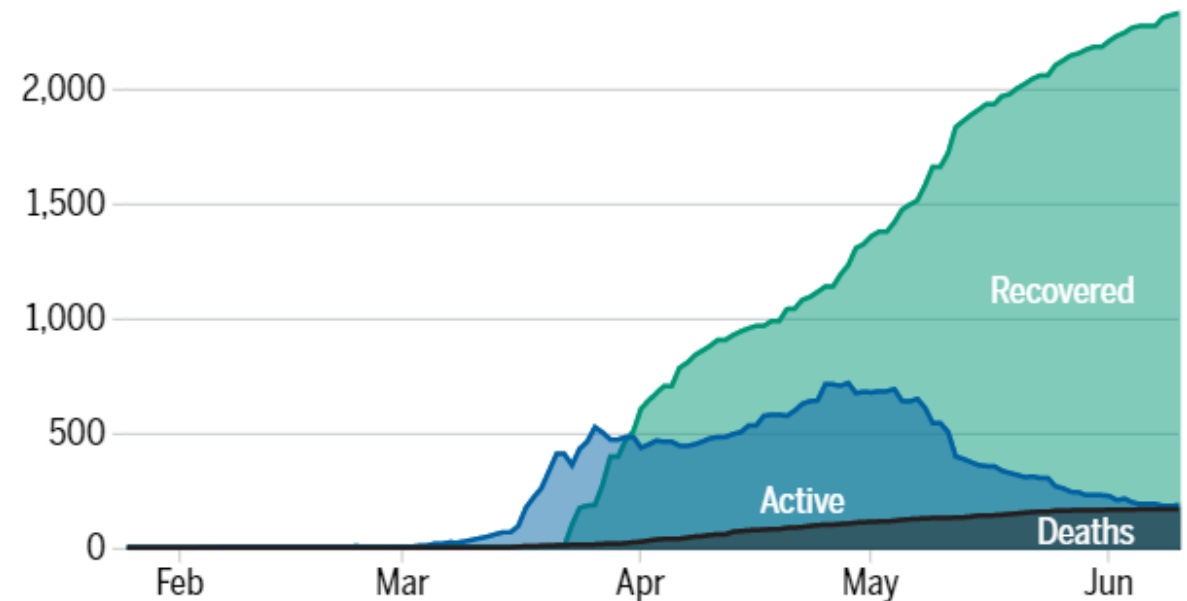

# Coping with COVID

- Is there light at the end of the tunnel?
- What will that look like?

## *Recoveries, deaths and active cases of COVID-19*

**Active cases** of COVID-19 in British Columbia, as well as **recoveries** and **deaths** from the coronavirus. Data is current as of June 10, 2020.

# Coping with COVID

- Let's use the polling feature in Zoom. We ask a question, and then you pick your best answer A, B, C, D or E, etc. Results and then displayed for all to see.

# Coping with COVID
