# SUBMISSION STATISTICS

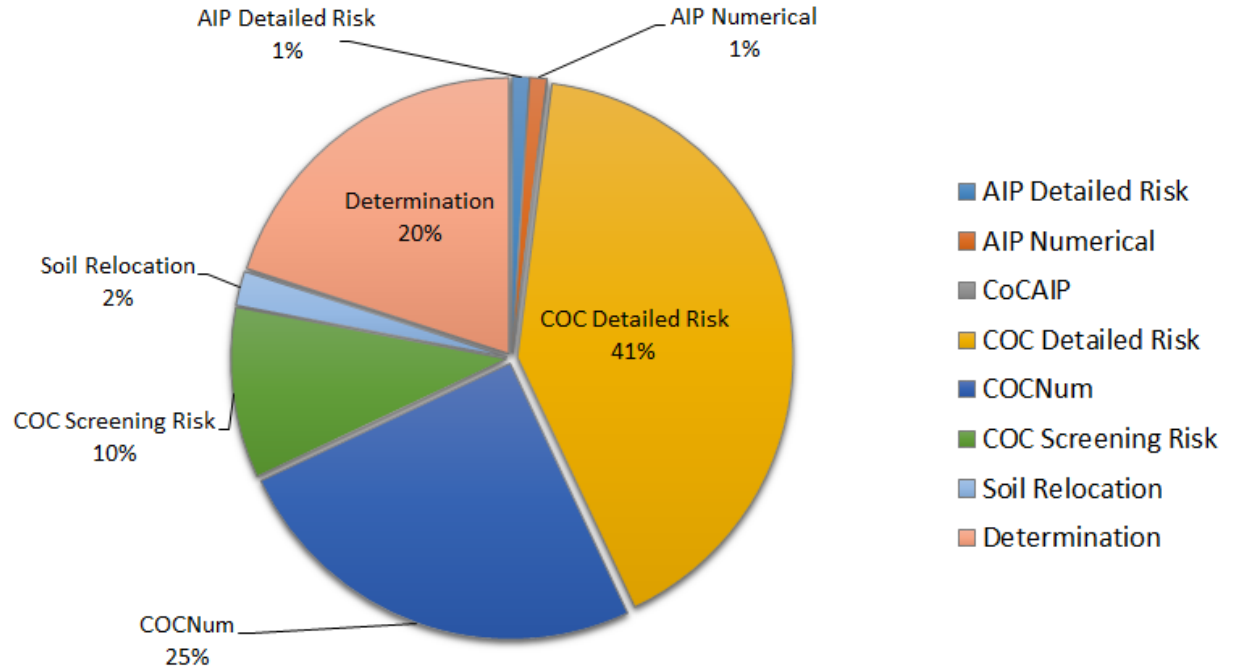

- We are at the halfway point through the 2015-16 fiscal year.
- 52 submissions have been received so far, which represents 50% of the anticipated total.

# INSTRUMENT OVERVIEW

## 2015

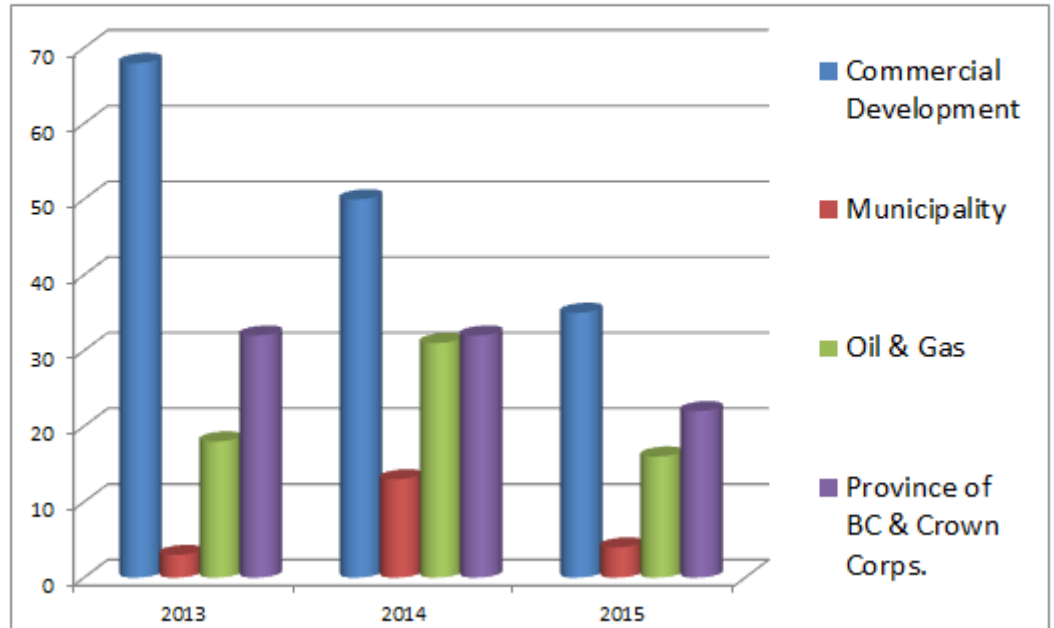

# STATISTICS BY SECTOR

## Submissions

Summary up to October 20th 2015

# RECENT INITIATIVES

## Top 3

- Detailed submission screening
- Review of like organizations in other jurisdictions
- Over summer review of the proposed omnibus change to standards

# DETAILED SUBMISSION SCREENING

- Detailed screening is a task taken over by CSAP on January 1st 2015
- Previously it was completed by Dave Lockhart at the MOE
- Provides 4 hours of additional AP review before a submission is transferred to the Ministry
- Since implementation processing time has been decreased by approximately 20 days

# REVIEW OF LIKE ORGANIZATIONS

- The review focused on jurisdictions outside of British Columbia that use a system of licensed, certified or approved professionals to make recommendations or certifications to their respective regulatory agencies for the investigation and/or remediation of contaminated sites
- The review focused on the process used within a particular jurisdiction, and its known or perceived strengths and weaknesses in terms of timing, cost and effectiveness.
- CSAP would like to thank SLR for undertaking this special project

# REVIEW OF OMNIBUS CHANGES TO STANDARDS

- CSAP would like to thank our Numerical and Risk Approved Professionals for their time and effort to pull together comments on behalf of CSAP on a tight time frame over summer
